

## PRODUCT DESCRIPTION

A selection of 1"x3" correction and effect lighting filters for speedlight flash units.

Rosco, the worldwide leader in colour filters has assembled the essential collection of filters for use with your on-board flash.

Rosco has been manufacturing colour filters since 1910 and our Cinegel range of colour filters has earned two Academy Awards™. Working with David Hobby, the founder of [www.strobist.com](http://www.strobist.com), The Strobist Collection contains the Cinegel filters photographers need, properly sized 2.54cm x 7.62cm (1"x3") to fit most shoe-mount strobes. There are 20 different colours inside with multiple pieces of each colour for a total of 55 pieces of filter.

## PRODUCT SPECIFICATIONS

### Strobist Kit Contents:

- 5 each:

- |             |  |   |
|-------------|--|---|
| No.3202     | Full CTB                                 | – Cooling Filter  |
| No.3204     | ½ CTB                                    | – Cooling Filter  |
